ADULT VOLUNTEERS

Serving in children's ministry is an opportunity to honor God—not a duty

-Requirements: **A love for God, and a passion for children.** (Degree in childhood education not required!)

-**Opportunities for every schedule.** We have many ways that you can minister to children in a time frame that will work for you!

-**You will not be alone.** You'll be supported by other volunteers and the Children's Ministry director. There are also trainings throughout the year designed to encourage, equip, energize, and empower your ministry!

-**Now what?** Fill in this Volunteer application. Choose a date to begin. Email this form to the address above. We will set up a meeting and proceed from there.

Parents- In our cooperative program we ask an adult from each family to volunteer to teach or assist with a class at least two times during the school year OR to volunteer for *at least two* activities or events. There are many opportunities to volunteer within our program.

This application is to be completed by all Children's Ministries staff and volunteers. It is one part of our effort to provide a safe and secure environment for the children who attend our ministries and programs. All information will be kept confidential, stored in a secured location, and used only by the leadership of St Paul's. Thanks for your time and interest in working with children!
